

**WOVV Newsletter JUNE 2011 WOVV.org
PO Box 1447 Ocracoke, NC. 27960 252-928-WOVV (928-9688)**

Hello WOVV Members and supporters!

We are excited to continue learning and growing in 2011 and look forward to your continued support. June 15 will mark the one year anniversary of our first On Air broadcast! The celebration will continue June 16 at Gaffer's Sports Pub, with our 3rd annual Women's Arm Wrestling Smackdown. Ladies, start working those muscles and planning your costumes. Everyone else, save the date for one of the most fun events on the island.

Welcome to our new WOVV Board President, Greg Honeycutt, and Treasurer, Andrew Stern. Robert Raborn is now serving as VP. All three were instrumental in getting our application for 501(c)3 status prepared and filed. While that is under review we continue to appreciate the non-profit umbrella of The Ocracoke Foundation.

Clayton Gaskill resigned from the Board and accepted a part time position as Station Manager. Clayton is a skilled engineer and also happens to have a great voice for radio! We are thrilled to have someone responsible, intelligent and committed to WOVV's growth and success as our first employee.

The radio studio on Silver Lake will be open throughout the season. Come by and check us out Monday through Friday from 10 a.m. to 1 p.m., with additional hours likely, but not etched in stone. WOVV welcomes volunteers to deejay, help sell our merchandise and to introduce the radio project to others. Show your support by proudly sporting WOVV gear--T-shirts, hats, tote bags and bumper stickers.

Residents, property owners and tourists are habitually tuning in to WOVV. If your organization has an announcement, we will help get the word out. If you just want to wish someone happy birthday, or share a lost and found, we're here for that too! Our re-designed website--still at www.wovv.org --makes it easy to share calendar information.

The website also makes it easy to become a member. If you love listening to community radio, please show your support. Basic memberships cost only \$25 per year and family memberships are \$40. We welcome and need financial support at any level. Giving feels great, and members are rewarded with discounts on merchandise and at events.

Another reason to put www.wovv.org on your favorites list? Our updated program schedule, and lists of underwriters and fellow members. We look forward to seeing you on the island and hearing you on the air!
